

SPA COURTESIES

Enhancing Your Spa Experience & the experience of those who you'll be sharing the day with involves very little on your part.

Scheduling. Please call or come by in advance to take advantage of greater availability for your desired spa services & flexibility with your own personal schedule. We do, however, enjoy servicing same day requests - as our schedule permits.

Arrival Times. For an enjoyable & relaxing visit, please arrive early for your first appointment. Arriving 15 minutes early allows you an opportunity to shut out the stresses of the day & prepare for your session(s) in our relaxation lounge. In order to give each client our superior treatment, we must end your appointment at the originally scheduled time as a courtesy to our next guest, & arriving late can deprive you of all the luxury you deserve.

Cancellation. Your spa appointment is reserved just for you so in the event that you must cancel your appointment, please do so at least 24 hours prior to your scheduled time. If you are canceling a party of two or more persons, we will need a minimum of 48 hours notice.

Special Concerns. Please advise us of special needs that may require additional attention prior to your appointment. Certain treatments/services may not be recommended if you are pregnant or have any medical condition(s). Please let your therapist know if you are taking medications. Alcohol is not recommended before, during or immediately following spa services.

Gratuity. Gratuities are a matter of personal discretion & are not reflected in our menu pricing. Depending on your level of satisfaction with your spa services, 15-20% (or above) is a customary range. Unless otherwise noted, gift certificates do not include gratuities.

Environment. Our tranquil environment is important for the relaxation of all our clients, therefore please silence all cell phones/pagers & speak softly. For this same reason, children may not be left unattended in the lounges or reception area & are not permitted in spa treatment areas.

Gift Certificates. Gift certificates are valid for 12 months from the date of issuance & expiration dates are not extended. They are treated the same as cash & must be presented at time of service. Gift Certificates are not replaceable if lost, stolen or destroyed.

Jewelry. If you are spending the day with us for a spa package, please remove all jewelry prior to your visit.

Thank you for choosing **Derma Technique Day Spa**. We sincerely value your patronage & strive to exceed your expectations.
